

92.7 in all its forms continued to put up the best concert series from bands known and not so well-known in their efforts to dare to be different! That being said, you will find a large number fans remember these concert series... if I left any off, please send a post to help clarify our knowledge of the times... also, if you have tapes from this time exchanges would be willing to be considered at this time.

Exchanging files is the only method available to expand this registry compendium. To setup an exchange simply write to us as at: **The 92.7 Archive, P.O. Box 1711, Poughkeepsie, New York 12601** or send the webmaster an email using the [contact form](#) at the top of the page.
